

Hello!

My name is Deborah Bennett and I am a mom of high order multiples (triplets or more) & I am the Fundraising coordinator for Tri-State Multiples. Tri-State Multiples is a local, non-profit organization designed to offer emotional and financial support to families of higher order multiples within the Greater Cincinnati Tri-State area. Our Board and Committee members serve on a voluntary basis. Through our Families First Fund we have assisted both member and non-member families with higher order multiples with such needs as therapy expenses, wheelchairs & other equipment, special care formula, and burial expenses.

Tri-State multiples will once again be holding our annual raffle on October 22, 2011 at our Fall Harvest Festival to support the Families First Fund. The success of our event is based on the generosity of our friends and family, as well as the companies in our area.

We are asking for a monetary or product donation for our raffle and would be grateful for your generosity. All money generated from the sale of raffle tickets goes directly to the Families First Fund. Items will be raffled off and all contributors will be given recognition at our festival.

Donations can be mailed directly to the address below, or we are available to pick up items at your convenience. If you have any other questions, please feel free to call me at 513-377-1381 or email at fundraiser@tristatemultiples.com.

Thank you,

Deborah Bennett
